Awareness session in communities (Friends of Education)

District: PISHIN . Activity Name: Awareness Session (Friends of Education) .

School Name: GBHS KILLAH HAJI KHAN (1635) .

Date: 21/04/2024 . Venue: GBHS KILLAH HAJI KHAN (1635) .

Name of Facilitator: Mr.Israr Ahmed . No. of Participants: 10 .

Objective:

The activity is planned and assigned by the Project Management Unit (PMU) School Education Department under Balochistan Human Capital Investment Project (BHCIP), for the improving the awareness level of the community regarding importance of education mainly girls' Education, rights and responsibilities of good citizens, conflict resolution and most importantly to enhance and upgrade their proactive approach regarding Environmental Protection, health and hygiene precautions and preparedness for disaster risk reduction. Such events can bring change to the typical approach of people regarding the schooling of children that is; not only the attainment of education for future resource development but acquiring of knowledge for improving the standards of life as well as imparting the contribution in the societal betterment. By involving friends of education as speakers / supporters in awareness sessions from the communities, a purpose of promoting the sense of teamwork among the communities also gets fulfilled.

Proceedings:

- 1- Event was started with the recitation of Holly Quran and then CCD team formally introduced themselves, organization and the BHCIP project to the community and have given the welcome remarks to the guests.
- 2- Total **10** members participated in the session including volunteer champions and discussion on Importance of education mainly in girls was firstly started.
- 3- safety measures regarding environmental protection, child protection, gender-based violence, disaster risk reduction, health safety, hygiene and awareness regarding WASH Facilities
- 4- All the participants were thoroughly briefed regarding all the necessary proceedings and were completely mobilized. The community members agreed to the agenda and were committed to extend their best possible performance in all kind of mobilization.
- 5- At last; refreshment was served to the participants with vote of thanks to and from the team of CCD.
