Date: 09-05-2023 . Venue: GGHS HURAMZAI (1232) .

Name of Facilitator: Israr Ahmed / Mujahid . No. of Participants: 08 .

Objective:

The activity is planned and assigned by the Project Management Unit (PMU) School Education Department under Balochistan Human Capital Investment Project (BHCIP), for the improving the sense of creativity in the students and to enhance and upgrade their talent and Intelligence level. Such events can bring change to the typical approach of people regarding the schooling of children that is; not only the attainment of education for future resource development but acquiring of knowledge for improving the standards of life as well as imparting the contribution in the societal betterment. The other purposes of the event are as follows;

- 1- Develop the creativity and improve the mental capacity of the students.
- 2- Create a sense of teamwork among the children.
- 3- Develop the children's attitude towards competition and Helpfulness among the colleagues.
- 4- Engage the children in productive activities in a friendly environment.

Proceedings:

- 1- Event was started with the recitation of Holly Quran and then formally worthy principal has given the welcome remarks to the guests and invited the guests to be seated.
- 2- Total 08 Students were organized in two teams (04 in each) and main theme of the role play was; "Non supportive behavior of parents".
- 3- All the participants had worked hard and gave their best performance to the extent that it was getting difficult to take the decision regarding the winning team.
- 4- A strong competition was observed in the teams and in the end, after the announcement of the winning teams and players, certificates / trophies / medals / awards were distributed among the winner teams and players.
- 5- At last; refreshment was served to the school management and participants where a general feedback was also taken by the players and guests where a demand of such events in observed in future as well both by the Students and management.
- 6- Vote of thanks was given to and from the principal: **GGHS HURAMZAI (1232).**
